Please call me about buying a cottage

Please complete the form if you understand and agree to the following:

You must be an active member of a Christian church and will be required to submit a letter from the pastor of your church as proof, and be interviewed by our committee.

You must agree to supporting camp meeting, by regularly attending concerts, events and some seasonal workdays to help maintain camp meeting grounds & buildings.

No alcohol or drugs are permitted.

These are seasonal cottages; you may stay in them only from April through October.

Campmeeting now uses community bath & shower facilities. We intend to install a community septic system and connect water & sewer to each cottage in the future.

Most cottages are 100 years old & will require a financial investment to fix them up, and to regularly maintain the grounds surrounding your cottage.

You will be purchasing the cottage only, but not the real estate on which the cottage is located. The campmeeting association owns all the real estate.

An annual assessment fee for all cottages is set each year by a vote at our annual membership meeting. All cottage owners are members.
